AS Level Maths

Simplifying surds	
Rationalising surds	
Simultaneous equations	
Differentiation	
Integration	
Un	
Sum of a sequence	
Un	
Sum of a sequence	
Solving an inequality using the discriminant	
Solve to find a set of values	
Differntitaion	
Equation of a tangent	
Simpifying expressions	
Substition and solving a quadratic	
Factorising expressions	
Sketching a graph	
Finding the length of a line	
Find n in a sequence	
Sum of a sequence	
Integration	
Finding the coordinate of a point
