User Id: First initial, followed by surname, e.g.

JSMITH

Password: Firstname

e.g. **John**

Times Tables

A working knowledge of times tables
is needed on 40% of questions.

40%

How do I improve?

The PiXL Times Tables App

- **Why is it good?**
- **FREE!!**
- Can use on phone, tablet or desktop, so can practice anywhere.
- The app records all your attempts, and lets you know your strengths and weaknesses.
- Gives information on how quickly you can do each table.
- You can compete live against other schools!

Where to get it

- **App store (or android equivalent)**
- **Google 'PiXL Times Tables'**
